It was a pleasure to work you in the ARRL International DX Competition. We are both county-hunters and need your card badly, so please confirm this QSO

Are you a county-hunter too? Have you heard of the European award WER (Worked European Regions) issued by Swedich CHC-Chapter ? Write to SM5WI, Harry Åkesson, Vitmåragatan 2, 722 26 VÄSTERÅS, Sweden. Enclose 5 IRCs and you will get a list of more than 1500 European regions and award rules.

One point for WAV
Län U for WER and WASM
